

# YOUR FILM ONLINE!

## ONLINE VIDEO CAMPAIGN WORKSHOP

A practical day workshop where you will learn how to make low-tech online videos of campaign activity. Promote your campaign or project through film and upload it to social media, such as YouTube and Facebook. Learn the basics in just one day, with helpful notes to take away so that you can put the training into practice. Accessible to anyone, no special technical skills necessary. This hands on workshop guides you through the planning, filming and editing process, using consumer equipment and existing software in your computer (Mac and PC).

**Led by two experience film-makers with campaign experience and an understanding of social, environmental and community projects.**

**More training options available and film commissions considered.**

Visit our website and book a course or call for more information.
